Manufacturing Excellence

COMPANY OVERVIEW

Integrated design-led sourcing company with compliant manufacturing units delivering high-quality apparel for global buyers.

Design Sourcing International is a Bangladesh-based apparel design, sourcing & Manufacturing company established in 2015. We provide end-to-end solutions covering product design, fabric sourcing, manufacturing coordination, quality control, and export logistics. Our structure ensures flexibility, scalability, and consistent quality for international buyers.

Our priority concern is on demand quality maintenance, focus on lead time, quick response and annoyance free shipping to enhance and support customer business requirements.

Our mission is to be one of the best innovative global apparel Sourcing company in terms of product design, dynamic services and customized sourcing approaches

Message from the Founder

At **Design Sourcing International Corporation**, our journey began with a clear vision — to create a reliable, transparent, and design-driven apparel sourcing platform that bridges global buyers with responsible manufacturing in Bangladesh.

Since our establishment, we have focused on building strong foundations in **product development, sourcing excellence, quality assurance, and ethical manufacturing**. By working closely with our manufacturing units **FARKANTEX LTD** and **JIS SUIT (JIC SUIT LTD)**, we ensure that every product reflects our commitment to quality, consistency, and on-time delivery.

We believe that true success in the apparel industry comes not only from competitive pricing, but from **trust, long-term relationships, and attention to detail**. Our team continuously invests in innovation, skilled people, and modern production capabilities to meet the evolving needs of international markets.

As a founder, I take pride in leading a company that values **integrity, accountability, and customer satisfaction**. We are committed to growing alongside our clients and partners, delivering value through dependable service and responsible business practices.

Thank you for your trust and interest in Design Sourcing International. We look forward to building a long-term partnership together.

Founder
Design Sourcing International Corporation

Our Strategy

- ▶ Design Sourcing International Corp is committed to the consistent upliftment and improvement of both its products and its responsibilities towards its employees.
- ▶ Striving hard to achieve highest levels of customer satisfaction through timely deliveries along with enhanced quality and value of all our products.

TERMS AND CONDITIONS

Pricing: For fixation of price, the detail enquiry is required to be provided by buyer. Based on which, we will quote our rate which will be valid for bulk order confirmation. Price can vary without prior notice if the order quantity is different than the enquired quantity. For air or sea freight calculation, please refer to the packing statistics.

Samples: For regular clients, who already sent us purchase orders all samples up to 5 PCS are free. For clients, who need more than 5 PCS of sales sample but has not sent purchase orders to us; all cost of samples will be borne by them.

Ordering: Written purchase orders (by email) are required before action is taken on any order. Prices and availability are subject to change without notice. So please confirm the prices with us before you send us purchase orders.

We shall email you about Sales Confirmation for your signature within 3 working days, after receiving your order.

DELIVERY TIME

First important factor to facilitate timely delivery :

Our production department only arranges all order in strict rotation from the time of receiving LC or TT. As quicker you organize payments, sooner the delivery time will be.

Second important factor to facilitate timely delivery :

If your order does not require any logo, screen printing or embroidery, it is more convenient for us but if your order requires logo, screen printing or embroidery, please manage to do color scan your art works (logo) and send it to us by email. The preferred formats are .jpg, .bmp, .pdf or .png.

Third important factor to facilitate timely delivery :

Please respond or forward your customers comments to us as soon as you receive our counter samples. This can allow us time to make necessary alterations or corrections, if any.

For order quantities less than 5,000 PCS, our normal delivery time is 30 days after samples are approved and L/C or T/T received. For order with quantities about 10,000 PCS. Our delivery time is 36 to 40 days after samples approved and L/C or T/T received. For orders of larger quantity our normal delivery time is 90 days, after L/C or T/T received.
